MAINTENANCE KITS: A SMART SOLUTION

IVECO | **Genuine Parts**
HIGH PERFORMANCE

MAINTENANCE KITS: BENEFITS

With IVECO Maintenance Kits all parts needed to carry out preventive maintenance effectively are contained in one box.

ALL-IN-ONE SOLUTION

IVECO Maintenance Kits include all of the parts recommended to do the proper maintenance or repair.

SAVE MONEY

Kits are offered at a competitive price; choosing this option is cheaper than buying individual parts.

SIMPLIFIED PARTS MANAGEMENT

The whole kit is contained in a easy-to-store box. All the needed components are replaced at the same time, reducing risk and boosting reliability.

RELIABLE

Full compliance with the IVECO specifications and vehicle maintenance plan with original IVECO parts.

WHY PERFORMING MAINTENANCE IS SO IMPORTANT?

NO UNEXPECTED EVENTS

Unplanned vehicle stops are reduced to the minimum: you can avoid stopping and wasting time both for repairing and managing the unexpected event.

REDUCED COSTS

Regular and preventive maintenance helps to: reduce costs related to extraordinary repairs, extend mechanical components' life of the entire vehicle and maximise fuel efficiency.

SAFETY

Performing scheduled checks and replacing critical products such as brakes, filters, belts, allows you to travel safely.

WHICH ARE THE CORRECT MAINTENANCE INTERVALS?

| | LIGHT | | MEDIUM | | HEAVY | |
|---------------------|--------------------------|--------------------------|--|-------------------------------------|---------------------------------------|------------------------------|
| | DAILY (MY 12-14) | DAILY (MY19) | EUROCARGO (MY12-15) medium range | EUROCARGO (MY19) medium range | STRALIS C11 - C13 (MY13 - MY16) | IVECO S-WAY C11-13 (MY19) |
| OIL FILTER | 40,000 km / 24 months | 50,000 km / 24 months | 60,000 / 18 months | 60,000 / 18 months | 150,000 / 18 months | 150,000 / 18 months |
| AIR FILTER | 80,000 | 100,000 / 36 months | 120,000 / 24 months | 120,000 / 24 months | 150,000 km | 225,000 km |
| FUEL FILTER | 80,000 | 100,000 | 120,000 | 120,000 | 150,000 km | 150,000 km / 12 months |
| CABIN FILTER | Check Every 24 months | Every 24 months | 60,000 / Every 12 months | 60,000 / 12 months | Check Every 6 months | Every 6 months |

Please note that the maintenance interval stands for information and might change due to different specifications.

IVECO KITS ARE AVAILABLE FOR:

EXAMPLES OF
IVECO
MAINTENANCE KITS

DAILY

EUROCARGO

STRALIS &
IVECO S-WAY

BUS

FILTERS KITS

FILTERS #1
