## New Portable Fridges

Dear Network,

IVECO Accessories is glad to share with you the new portable fridges added to the portfolio.

They are applicable to all ranges and come in two different capacities:

15 l

21 l

Both can refrigerate down to 27°C below ambient temperature / can heat up to +65°C, and are equipped with an active battery protection, to prevent deep discharge of the vehicle battery.

PN	Dimension
